

Introduction: We are too preoccupied with ourselves to be amazed by God.

1. KNOWING ABOUT GOD VERSUS KNOWING GOD:

- a. Knowing God surpasses knowledge (Ephesians 3:14-19).
- b. Knowing God involves participation in Christ's life (Philippians 3:7-10).
- c. Knowing God involves being agents of mercy (Luke 6:27-36).

2. HOW GOD'S MERCY RELATES TO GOD'S MAJESTY:

- a. God's mercy is demonstrated by His power (Exodus 33:12-19).
- b. God's mercy is demonstrated by His sovereignty (Romans 9:15-23).
- c. God's mercy is demonstrated by His wisdom (Romans 11:32-33).

CONCLUSION: Without God's mercy, we are hopeless (Exodus 14:13-14, 21-22).
